

# Mona's Wish

---

**Mona Paul and two staff took a road trip, travelling to Victoria, BC. Mona wanted to reconnect and spend some time with an old friend.**

**She relaxed and thoroughly enjoyed her stay, even the hotel was extremely comfortable so she had a great sleep. Mona and her friend went to a hockey game together. They also visited the Historical Museum, the Wax Museum and spent some time viewing the outside of the Parliament Buildings.**

**Mona was in Victoria the day Canada won the gold medal in hockey, she had just finished her lunch and was walking back to the hotel where she encountered the most joyous experience - people waving flags, greeting each other with smiles, honking horns - what a week to remember.**

**Thanks to the Wish Fund for making all these memories happen.**

**Mona has kept in contact with her friend for so many years and will continue to do so for many more to come. This trip just added to the bond they already share with each other.**

## **FOR MY FRIEND**

**This is my wish for you  
Comfort on difficult days,  
smiles when sadness intrudes,  
rainbows to follow the clouds,  
laughter to kiss your lips,  
sunsets to warm your heart,  
hugs when spirits sag, beauty  
for your eyes to see, friendships  
to brighten your being, faith so  
that you can believe, confidence  
for when you doubt, courage to  
know yourself, patience to  
accept the truth. Love to  
complete your life.**
